Mr. LEWIS of California. Madam Speaker, I submit the following:

Legal Name of Requesting Entity: City of Loma Linda; City of Grand Terrace

Address of Requesting Entity: City of Loma Linda, 25541 Barton Road, Loma Linda, CA 92354; City of Grand Terrace, 22795 Barton Road, Grand Terrace, CA 92313

Description of Request: Establish a fiber optic infrastructure expansion pilot program between the City of Loma Linda and the City of Grand Terrace's new business park. The pilot will demonstrate how updated and expanded internet access can promote small business, create jobs, enhance local competitiveness and provide green alternatives. The pilot supports innovative solutions to the devastatingly high regional unemployment rate of 12.8%. Because private loans are unavailable as a result of the credit crunch, the region will benefit from this use of federal dollars as the initial investment for future expansions. The success of this pilot will attract both stimulus funding and private investment. Such a program can serve as a model for further economic development in other similarly distressed areas across the country.

Amount: \$900,000
